## Technical data:

## Maintenance:

## Lifetime:

Lifetime of this product is not strictly limited by the manufacturer. Depending on the condition of the product and its history it may be necessary to retire it immediately (e.g. after hard fall, visible signs of damage,...). Lifetime of this product can be influenced by various factors such as: frequent or improper use; usage environment (humidity, freezing, ice); wear; corrosion; serious stress with relative deformation; exposure to heat sources; improper storage; etc.
