

Load sharing rings used by a person for fall protection for work at height or mountaineering.

## **DESCRIPTION**

# **STANDARDS**

**(€** 1019

### **FEATURES**

Ø 28 mm = 39 g Ø 46 mm = 57 g

unique

strength 25 kN

#### **MATERIALS**

#### **TECHNICAL DATA**

XXXX – unique serial number CCCCC - product code MMYY – month and year of production - datamatrix

RK400BB Version: 07/2021

### **MAINTENANCE**

Lifetime of this product is not strictly limited by the manufacturer. Depending on the condition of the product and its history it may be necessary to retire it immediately.

beware of beware chemicals

peware of salt

washing

drying read instructions
