### **Long Description**

#### **Bothy Bags**

Used by mountain leaders, rescue organisations, backcountry skiers and canoe guides all over the world, Bothy bags are an essential piece of kit. These lightweight emergency shelters allow users to create a microclimate that is warm and dry.

- Available in 2, 4, 8 and 12-person sizes.
- Feature clear windows using low-temperature PU.
- Mesh vents help with the airflow.
- Roof sockets allow walking poles to be used for additional support.
- Lightweight and packable.

Every group, expedition, and single outdoor user should have a Bothy for emergency situations to escape from the elements.
