

Competition Tarps

Short Description

Using the same fabric as our Laser Compact tents, the Competition Tarp is perfectly paired with a bivi and provides a lightweight reliable shelter.

Long Description

Competition Tarp

This tarp is ideal for setting up shelter from the elements in a variety of configurations.

- Available in two size options (see specifications for more details).
- Reinforced eyelet positions and webbing tapes for flexible setup.
- Ideal for use with the Moonlite or Discovery Bivi.
- Features Watershed Si2 fabric.

The simple light structure of a tarp is great for building different types of shelter systems. Sleeping bag and trekking poles not included.
